LIBERTINE LINDENBERG BREAKFAST

Homemade granola, apple juice from a farmer in the Taunus region, freshly baked croissants from the organic bakery around the corner and aromatic coffee from our favourite roastery Hoppenworth & Ploch: breakfast at **LIBERTINE LINDENBERG** is not about a huge buffet, but about lovingly curated sweet and hearty dishes that are the perfect way to start the day. It is vegan, homemade, with the best from the region, healthy and above all one thing: **LEKKER**. Breakfast is served between pastel-coloured furniture and cosy armchairs in the living room café.
